

WILHELM UND ELSE HERAEUS-STIFTUNG

714th WE-Heraeus-Seminar

16 – 19 February 2020 Physikzentrum Bad Honnef

Resolving the Full Picture:

Complementary Spectroscopic Approaches to Explore
Dynamics in Physical and Chemical Systems

Connecting People and Expertise in Time-resolved Spectroscopy from Atto to Microseconds

Application deadline: 01 December 2019

Scientific Organizers

Klaus Boldt (University of Konstanz)
Jannika Lauth (Leibniz University Hannover)
Stefanie Tschierlei (Ulm University)
Maria Wächtler (Leibniz-IPHT Jena)

Invited Speakers

Angelika Brückner (University of Rostock and LIKAT)
Giulio Cerullo (Polytechnic University of Milan)
Benjamin Dietzek (Friedrich Schiller University Jena)
Ursula Keller (ETH Zurich)
Alfred Leitenstorfer (University of Konstanz)
Melanie Schnell (DESY Hamburg & University of Kiel)
Laurens Siebbeles (TU Delft)
Oliver Wenger (University of Basel)
Ulrike Woggon (TU Berlin)
